\_\_\_\_\_

\_\_\_\_\_ I understand that registration for the 2019-2020 school year is not complete until I have paid my \$250.00 supply fee to hold my spot for next year. Please understand that the school will fill up quickly and let me know if you intend to attend next year. A space for your child is not guaranteed until you have had a meeting with Sarah to finalize plans, tuition, and other expectations regarding next year.
